Dear Sir,

By Decree of the President of the Republic dated 1 January 2010 and based on my recommendation, you have been appointed Chevalier of the Ordre National de la Légion d'Honneur.

I am delighted that your brilliant career as an international consultant has been recognized in this manner. Allow me to take this occasion to congratulate you for the prestigious and courageous cultural endeavors you have initiated, in particular the foundation of the Université de la Sorbonne and the Louvre in Abu Dhabi, which you so aptly promoted thanks to your thorough understanding of the Persian Gulf.

Please accept my sincerest congratulations.

Sincerely,

B. Kouchner
